Test for Likely Significant Effect (LSE)

Potential for Likely Significant Effect?	No
Justification and evidence	<p>This tLSE was informed by the previous LSE and appropriate assessments carried out for Berwickshire and North Northumberland Coast SAC, Coquet Island SPA, Farne Islands SPA, Lindisfarne SPA and Northumbria Coast SPA.</p> <p>Synthesis of evidence and local knowledge informing this decision occurred between January 2014 and the date of this document's creation with stakeholders (where appropriate) and other statutory authorities. Natural England (CS) was involved with this informal process.</p> <p>Regulated activity Beam trawling is prohibited within the NIFCA district (NIFCA Byelaw 1: Trawling). No current activity within the Northumberland Marine SPA or the surrounding area/NIFCA district (Jon Green, pers. comms.).</p>

Conclusion

Is the proposal likely to have a significant effect 'alone or in combination' on the Northumberland Marine SPA?

No

Has Natural England been formally consulted on this tLSE (and do they agree)?	Yes
