

# Commercial Shellfish Permit Condition

CLOSED 7th October 2022

Northumberland IFCA have reviewed the permit conditions of the Commercial Shellfish permit. The changes to the permit conditions include an addition to paragraph 12 as written in the current byelaw. Please see the addition outlined in red in the text below.

## Commercial Permit Conditions

12. A commercial permit holder must not fish for specified shellfish using a pot unless a tag issued to the commercial permit holder and named vessel **in the current colour being issued by the Authority** is affixed to the pot.

These changes are to ensure that the byelaw fulfils its intended purpose.
